Deadline for submission of financial documents : June 30, 2023

With my signature, I confirm:

- completeness and accuracy of information submitted about all persons stated as liable for maintenance.
- completeness and accuracy of documents submitted to calculate family net income. In case of presenting false or incomplete documents, I am obliged to pay the difference to the correct income to the operator of the childcare facility.
 - that I acknowledge that the operator of the childcare facility may calculate parents' contribution according to the highest income group if I fail to submit or submit incomplete documents on income. Please note that especially submission of only one documented parental proof of income is insufficient if the second parent residing in the same home also has an income.
 - that I understand that the operator of the childcare facility is entitled to forward all of my statements and documents to the state of Styria (Land Steiermark) in order to verify calculation of parents' contributions. If the child is in the care of a childminder, I also understand that the childminder's employer forwards these statements and documents to the child's municipality of residence in order to verify calculation of parents' contributions.
- my consent for the automated processing of the data.

I understand that it might be a criminal offence to make a false statement on this form.

Place, date
